To Whom it May Concern,

This letter is a strong recommendation for Black and White Construction, and its owner, Greg Simmons. Black and White recently built a new master bedroom and bath onto our home, and we are very pleased with the addition.

The work was done in a timely manner and within budget. Mr. Simmons negotiated all of the many permits and inspections, which were considerable, since we live within the city of Houston. We found him to be reliable, knowledgeable, and flexible when working with us. He worked particularly and diligently to match all of the new materials to our existing home, inside and out, and we are very happy with the results.

We would like to recommend Black and White construction for any residential or commercial building project.

Sincerely,
Jonathan & Yanica Marshall
